Maria Fareri Children's Hospital,  
Westchester Medical Center

# BULLYING ACROSS THE LIFESPAN: RECOGNIZING ITS MANY FACES...

**July 1, 2009  
8 AM to 4 PM**

Presented by  
New York Regional Chapter  
of the Society of Pediatric Nurses

Sponsored by  
Blythedale Children's Hospital  
and Maria Fareri Children's Hospital

Held at  
Maria Fareri Children's Hospital  
Westchester Medical Center  
Valhalla, NY 10595

## Purpose

The title "Bullying Across the Lifespan Recognizing its Many Faces" was selected to illustrate that bullying can occur at any age and in many settings. Bullying can occur in one's personal life or in a professional setting. This conference is a forum to present the central and major characteristics of bullying whether in school or at work or in the home. In addition, it will provide the tools to begin to recognize and respond to situations that may occur in a variety of settings.

Blythedale Children's Hospital and the Maria Fareri Children's Hospital are located in Valhalla, NY.

Blythedale is the home of the New York Chapter of the Society of Pediatric Nurses and the Westchester Safe Kids Coalition.
