

New York State Surprise Bill Policy: Out-of-Network Physician Billing

1. All physicians providing medical services at Blythedale Children's Hospital are employees of the Hospital, and are included in contracted rates between your insurance company and the Hospital. You may be billed for Copays or coinsurance and/or deductibles. You will not be billed by any non-contracted or out of network physicians for services that you receive at Blythedale.
2. Blythedale does not provide out of network anesthesiology, pathology or radiologic physician services. To the extent that services are provided, they would be covered within the existing contracted rates between your insurance company and the Hospital.
3. Blythedale Children's Hospital and its employed physicians contract with all the major insurance carriers in the metropolitan New York region (see listing below). In the event that you do not see your plan listed, please contact the Hospital at 914 592-7555, ext. 71460 to speak with a representative. In the event that the Hospital does not contract with your specific insurance company, we will make every effort to contact and establish an agreement on your behalf inclusive of all Hospital & physician services.
