## Empire is our medical carrier for 2019.

For the 2019 benefit year, there are new employee contribution tiers and rates for the four medical insurance plans through Empire Blue Cross Blue Shield, an Anthem Company. Three of these plans give staff access to the full Blue Cross network of providers which is the largest network of any of the major health insurers. As you may already be aware, none of our Blue Cross plans require a referral from your primary care provider, so you determine whether or not to see a specialist.

The biweekly contributions have been reduced for most staff and, depending on your Rate 1 annual base salary and your plan choice, you will have the opportunity to take advantage of substantial savings in your bi-weekly contributions.

**NEW IN 2019 - MEDICAL OPT-OUT ELECTION** - For 2019, staff who do not participate in our health insurance because they have spousal, parent or other coverage, will be eligible to a \$57.69 per pay period opt out payment (\$1,500.00 annualized). Payment will be forfeited until proof of other insurance is submitted along with a Medical Plan Waiver Form to Human Resources. Please note that due to ACA and Medicare restrictions, the following types of other coverage are not acceptable to receive this benefit: Medicaid, Individual/NY Exchange, Medicare, Medicare Supplement.

### A Plan That Enhances Your Health Care Benefits

**AmeriFlex will continue to administer our Flexible Spending Accounts (FSA) in 2019. Flexible Spending Accounts help you save money!**

If you participate in the AmeriFlex FSA plan, you will elect to have a specified amount of “pre-tax” money deducted from your paycheck each pay period.

These funds are subtracted from your gross earnings ***before taxes*** and put into an FSA that you can then use to pay for eligible out-of-pocket expenses. Qualified expenses may include: Co-pays, deductibles, non-covered prescribed drugs and other payments that you are responsible for under your health plan.

**The maximum contribution on the Health Care account for 2019 is now \$2,650. Employees may rollover up to \$500.00 in their FSA Account with Ameriflex.**

**IMPORTANT MESSAGE: The maximum contribution on the Dependent Care account remains at \$5,000.** Dependent Care Accounts are used to pay for eligible Day Care expenses including approved camp and after school care. **\*Unused Dependent Care Account funds will be forfeited after 12/31/19, those funds are not eligible for the rollover benefit.**

More information about the FSA and DSA Plans including rollover amounts and grace periods is available online at: <https://www.myameriflex.com/Employee/Home>
